There are a lot of books on pickleball, but

this pickleball book really answers the question: What is Pickleball? Pickleball fundamentals are hard to learn if you don't have good pickleball training. Certainly, a good pickleball instructor can be helpful, but a good pickleball book, such as PICKLEBALL FOR BEGINNERS PART I, can put you on the right path to learning how to play, including learning what's in the official pickleball rule book and how to keep score. Besides covering some of the basics, such as which pickleball balls and paddles and pickleball sets to buy, PICKLEBALL FOR BEGINNERS PART I is one of the best sports books you can buy because it deals with all aspects of the sport of pickleball. Some of the topics covered in the book include: • Pickleball strategy • Pickleball rules • Pickleball shoes • Pickleball paddles • Pickleball instructors • Pickleball lessons • Pickleball doubles • Pickleball drills • Pickleball shots: forehand, backhand, return of serve, third shot drop, third shot drive, overhead smash, volley, and lob PICKLEBALL FOR BEGINNERS PART I is written for those who want to learn to play pickleball. More people are flocking to the sport than ever before because it is a relatively easy game to learn to play well enough to go out and enjoy playing with others. This is the first book solely dedicated to the beginning pickleball player. It will guide you through a natural progression of learning everything you need to know to play the right way. This book isn't just a 'how to' book, it's also a resource to start you off with the videos you should be using to see skills and techniques in action, but which you haven't been able to sort through, because there are just so many pickleball videos on YouTube. Bob Savar, the author, has taught hundreds of people how to play pickleball. He wrote this book because he knows how hard it is for people to get started in the sport. The advice, instruction, and links to hand-picked, valuable internet sources, including dozens of YouTube videos,

make it a must-read for anyone who wants to learn how to play pickleball. Buttercream Botanicals gives beginning decorators everything they need to create gorgeous realistic flowers, succulents, greenery, and more out of buttercream.

Netflix' The Queen Gambit might've given you the motivation to play chess; this book will give you the knowledge! The top-rated Netflix show The Queen's Gambit took the world by storm. Not only are chess aficionados beyond grateful that it brought the spotlight back to the game, but it sparked new interest among younger generations to get away from video games and start playing chess. But, where do you start as a beginner? Not everyone has Beth Harmon's ability to visualize the future of the game on the ceiling. Don't be discouraged by this; even Beth relied on books to master her game. However, some of the books you might've read so far are too complicated and confusing. Among the most commonly discussed topics in chess books for beginners are chess openings. While there are hundreds of ways to start a chess game, not every opening promises the same odds of winning. And, although you might want to start right

away with the Queen's Gambit traditional opening, this book explains why it isn't for beginners. Would you like to: Gain a better understanding of chess? Learn its basic rules and how the pieces move? Discover the best openings for beginners? Reach a point where you'll be able to visualize the game? Don't you dare think that just because you've lost a few games that chess is not for you. With so many sources to learn chess from, you might've been overwhelmed. Luckily, this book brings summarized information on the matter of how to play chess even if you're a beginner. Here's what you'll get out of this book: A clear picture of what chess is, a game that has been around for over a thousand years; The basic things every beginner should know and how to apply them to your game; 7 chess openings for beginners (and why the Queen's Gambit isn't one of them); A few simple tips and tricks that'll help you to up your game and chances of winning; Evolved thinking and strategizing capabilities you can apply both in life and in the game; And much more! If there's one thing that the show the Queen's Gambit taught us is not to give up in the face of a challenge. Instead, be on a relentless quest for improvement despite the stops you might encounter on your road to learning chess. You might not have a janitor in your school who you can learn chess from, but you can have this book and it's just as good! Scroll up, click on "Buy Now with 1-Click", and Get Your Copy Now!?

Chicken Curry Salad Ingredients:

- 4 chicken breasts
- 2 cups green grapes
- 1/3 cup Paleo Mayo
- 1 heaping tablespoon curry powder
- 2 heaping tablespoons honey (or more!)
- 1/2 cup slivered almonds
- Sea salt (to taste)
- Black pepper (to taste)

Steps:

1. Cover your baking sheet with aluminum foil.
2. Set broiler on high, arranging rack so that the chicken will be about 2 inches from the heat.
3. Rinse your chicken breasts and cut off any excess fat.
4. Place chicken breasts side by side on baking sheets.
5. Sprinkle sea salt and pepper, to taste. Place chicken in oven and broil for 14 minutes.
6. Carefully flip each chicken breast, and place back in oven for it to continue to broil for another 14 minutes.
7. Once chicken cools off,

grab your sharp knife and cut all four chicken breasts into small squares. 8. Place chicken, grapes, and slivered almonds in your mixing bowl; using your wooden spoon, mix them together. 9. In a separate bowl, mix your Paleo Mayo, honey and curry powder. Once combined, add it to your chicken, grapes and almond mix. 10. Eat right away or store in the refrigerator.
