[My First Days in The White House \[Illustrated Edition\]](#) Aug 27 2019 In this flamboyant fiction novel, Louisiana Governor Huey "Kingfish" Long, one of Franklin Roosevelt's political rivals, details a political fantasy in which he is president of the United States. Through imaginary conversations with men of power, he presents his aspirations, including the "Share Our Wealth" plan, created in 1934 under the motto "Every Man a King" and how he would enact the program if elected in 1936. The plan proposed new wealth redistribution measures in the form of a net asset tax on corporations and individuals to curb the poverty and homelessness endemic nationwide during the Great Depression. Long visualizes his inauguration as President of the United States and details his nomination picks for his executive cabinet, including William Edgar Borah as Secretary of State, James J. Couzens as Secretary of the Treasury, and Smedley Butler as Secretary of War. This book was published posthumously in 1935, following Long's assassination on Sunday, September 8, 1935. It is illustrated throughout with political cartoons.

[Season's Greetings from the White House](#) Apr 15 2021 Discusses the traditions and special events of United States Presidents and their families during the Christmas season; includes photos of Presidential Christmas cards, gifts, and trees.

and father of two Union Army soldiers.

Gigi at the White House ~~May~~ May 29 2022

Curious About the White House ~~Oct~~ Oct 02 2022 Come on into America's most famous home! Everybody knows the building at 1600 Pennsylvania Avenue. It's the White House, home to US presidents, first ladies, first children, and even first pets! But aren't you curious: why is the house white (and how many gallons of paint keep it that way)? Who built the place? How many rooms are in there and what are they used for? Where does the president work? Where does the first family live? Is there really a bowling alley in the White House? The lively text and interesting photographs in this fact-filled 8 x 8 will answer all these questions and more about daily life in the most famous house in America.

Official White House China ~~Nov~~ Nov 22 2021 Looks at more than 200 years of porcelains purchased for presidential entertaining

Upstairs at the White House ~~Sep~~ Sep 08 2020 In this New York Times bestseller, the White House chief usher for nearly three decades offers a behind-the-scenes look at America's first families. J. B. West, chief usher of the White House, directed the operations and maintenance of 1600 Pennsylvania Avenue—and coordinated its daily life—at the request of the president and his family. He directed state functions; planned parties, weddings and funerals, gardens and playgrounds, and extensive renovations; and, with a large staff, supervised every activity in the presidential home. For twenty-eight years, first as assistant to the chief usher, then as chief usher, he witnessed national crises and triumphs, and interacted daily with six consecutive presidents and first ladies, as well as their parents, children and grandchildren, and houseguests—including friends, relatives, and heads of state. J. B. West, whom Jackie Kennedy called “one of the most extraordinary men I have ever met,” provides an absorbing, one-of-a-kind history of life among the first ladies. Alive with anecdotes ranging from Eleanor Roosevelt’s fascinating political strategies to Jackie Kennedy’s tragic loss and the personal struggles of Pat Nixon, *Upstairs at the White House* is a rich account of a slice of American history that usually remains behind closed doors.

A Spy in the White House ~~Aug~~ Aug 20 2021 KC tries to uncover the White House spy who is leaking secrets about the upcoming wedding of her mother and the president.

When Britain Burned the White House ~~Mar~~ Mar 15 2021 As heard on BBC Radio 4's Book of the Week. Shortlisted for the Paddy Power Political History Book of the Year Award 2014. In August 1814 the United States' army is defeated in battle by an invading force just outside Washington DC. The US president and his wife have just enough time to pack their belongings and escape from the White House before the enemy enters. The invaders tuck into the dinner they find still sitting on the dining-room table and then set fire to the place. 9/11 was not the first time the heartland of the United States was struck a devastating blow by outsiders. Two centuries earlier, Britain - now America's close friend, then its bitterest enemy - set Washington ablaze before turning its sights to Baltimore. In his compelling narrative style, Peter Snow recounts the fast-changing fortunes of both sides of this extraordinary confrontation, the outcome of which inspired the writing of the 'Star-Spangled Banner', America's national anthem. Using a wealth of material including eyewitness accounts, he also describes the colourful personalities on both sides of these spectacular events: Britain's fiery Admiral Cockburn, the cautious but immensely popular army commander Robert Ross, and sharp-eyed diarists James Scott and George Gleig. On the American side: beleaguered President James Madison, whose young nation is fighting the world's foremost military power, his wife Dolley, model of courage and determination, military heroes such as Joshua Barney and Sam Smith,

and flawed incompetents like Army Chief William Winder and War Secretary John Armstrong. When Britain Burned the White House highlights this unparalleled moment in American history, its far-reaching consequences for both sides and Britain's and America's decision never again to fight each other.

Prisoners of the White House May 05 2020 Prisoners of the White House looks at the isolation experienced by presidents of the United States in the White House, a habitat almost guaranteed to keep America's commander in chief far removed from everyday life. The authors look at how this is emerging as one of the most serious dilemmas facing the American presidency. As presidents have become more isolated, the role of the presidential pollster has grown. Ken Walsh has been given exclusive access to the polls and confidential memos received by presidents over the years, and has interviewed presidential pollsters directly to gain their unique perspective. Prisoners of the White House gets inside the bubble and punctures the mythology surrounding the presidency.

Under This Roof Jan 31 2020 "Like taking a tour of the White House with a gifted storyteller on your side!" Why, in the minutes before John F. Kennedy was murdered, was a blood-red carpet installed in the Oval Office? If Abraham Lincoln never slept in the Lincoln Bedroom, where did he sleep? Why was one president nearly killed in the White House on inauguration day—and another secretly sworn in? What really happened in the Situation Room on September 11, 2001? History leaps off the page in this "riveting," "fast-moving" and "highly entertaining" book on the presidency and White House in Under This Roof, from award-winning White House-based journalist Paul Brandus. Reporting from the West Wing briefing room since 2008, Brandus—the most followed White House journalist on Twitter (@WestWingReport)—weaves together stories of the presidents, their families, the events of their time—and an oft-ignored major character, the White House itself. From George Washington—who selected the winning design for the White House—to the current occupant Barack Obama—the story of the White House is the story of America itself, Brandus writes. You'll: Walk with John Adams through the still-unfinished mansion, and watch Thomas Jefferson plot to buy the Louisiana Territory Feel the fear and panic as British invaders approach the mansion in 1814—and Dolley Madison frantically saves a painting of Washington Gaze out the window with Abraham Lincoln as Confederate flags flutter in the breeze on the other side of the Potomac Be in the room as one president is secretly sworn in, and another gambles away the White House china in a card game Stand by the presidential bed as one First Lady—covering up her husband's illness from the nation—secretly makes decisions on his behalf Learn how telephones, movies, radio, TV changed the presidency—and the nation itself Through triumph and tragedy, boom and bust, secrets and scandals, Brandus takes you to the presidential bedroom, movie theater, Situation Room, Oval Office and more. Under This Roof is a "sensuous account of the history of both the home of the President, and the men and women who designed, inhabited, and decorated it. Paul Brandus captivates with surprising, gloriously raw observations."

Hidden Illness in the White House Sep 01 2022 Discusses the serious illnesses of three presidents, the inadequate mechanisms in place at the time of their sicknesses and changes that would resolve problems

Women of the White House Oct 22 2021 "Women of the White House looks at the work, lives and times of the 48 women officially recognized as FLOTUS, including the newest first lady Jill Biden. Through portraits, photographs and profiles, the book examines their contributions to the presidencies they supported and the 230-year history of the role"--

James Hoban Anthology Nov 10 2020

Lion in the White House Oct 29 2019 A masterful, concise biography of Theodore Roosevelt, America's first modern president New York State Assemblyman, Assistant Secretary of the Navy, Governor of New York, Vice President and, at forty-two, the youngest President ever--in his own words, Theodore Roosevelt "rose like a rocket." In *Lion in the White House*, historian Aida Donald masterfully chronicles Roosevelt's life and his presidency. TR's accomplishments in office were immense. Believing that the emerging aristocracy of wealth represented a genuine threat to democracy, TR broke trusts to curb the rapacity of big business. He built the Panama Canal and engaged the country in world affairs. And he won the Nobel Peace Prize--the first sitting president ever so honored. Throughout his public career, TR fought valiantly to steer the GOP back to its noblest ideals as embodied by Abraham Lincoln. Alas, his hopes for his party were quashed by the GOP's strong rightward turn in the years after he left office. But his vision for America lives on. In lapidary prose, this concise biography recounts the courageous life of one of the greatest leaders our nation has ever known.

Diana's White House Garden Mar 03 2020 Diana Hopkins lived in a white house. THE White House. World War II is in full force across the seas. It's 1943, President Roosevelt is in office and Diana's father, Harry Hopkins, is his chief advisor. And Diana wants to be part of the war effort. After some well-intentioned missteps (her quarantine sign on her father's office door was not well-received), the President requests her help with his newest plan for the country's survival: Victory Gardens! From award-winning author Elisa Carbone comes the true story of how Diana Hopkins started her own Victory Garden on the White House lawn under the tutelage of Eleanor Roosevelt. With dedication and patience, she showed the nation that the war effort started first on the homefront.

Where Is the White House? Jan 05 2023 The history of the White House, first completed in 1799, reflects the history of America itself. It was the dream of George Washington to have an elegant "presidential mansion" in the capital city that was named after him. Yet he is the only president who never got to live there. All the rest have made their mark--for better or worse--at the house at 1600 Pennsylvania Avenue. Megan Stine explains how the White House came to be and offers young readers intriguing glimpses into the lives of the First Families--from John and Abigail Adams to Barack and Michelle Obama.

Exploring the White House: Inside America's Most Famous Home May 05 2020 #1 New York Times bestselling author Kate Andersen Brower shares a special inside look into the most famous home in America--and the lives of hardworking staff members and first ladies who've maintained it. Have you ever wondered what exactly goes on inside 1600 Pennsylvania Avenue? Sure, the president of the United States works and resides there, but do you know who helps keep this historic house running? It's no simple task, especially when there are important state events and foreign dignitaries--in addition to presidential pups, mischievous children, and even a couple of ghosts. And its Residence workers and first ladies make sure everything is in check and running smoothly. Featuring fascinating photos, fun facts, and memorable quotes from the residents and first ladies of the White House, *Exploring the White House: Inside America's Most Famous Home* is the perfect read for any curious kid!

After the White House Dec 24 2021 Examines the lives of U. S. Presidents after they have left office, describing how they have often engaged in a wide variety of roles, and continue to be influential in American history.

White House White-Out Oct 10 2020 When Dink, Josh, and Ruth Rose visit Washington, D.C., just before Christmas, they are inadvertently caught up in a kidnapping plot that was intended

for the president's dog, but also involves the president's stepdaughter and her friend Marshall
The White HouseMar 27 2022 It grows increasingly difficult for Q and Angela to sort out the
"good guys" from the "bad guys" when they visit the White House in Washington, D.C.

Starling of the White HouseJul 19 2021 The story of the man whose Secret service detail
guarded five presidents from Woodrow Wilson to Franklin D. Roosevelt.

White House DiaryJul 07 2020 The edited, annotated diary of President Jimmy Carter--filled
with insights into his presidency, his relationships with friends and foes, and his lasting impact
on issues that still preoccupy America and the world Each day during his presidency, Jimmy
Carter made several entries in a private diary, recording his thoughts, impressions, delights,
and frustrations. He offered unvarnished assessments of cabinet members, congressmen, and
foreign leaders; he narrated the progress of secret negotiations such as those that led to the
Camp David Accords. When his four-year term came to an end in early 1981, the diary
amounted to more than five thousand pages. But this extraordinary document has never been
made public--until now. By carefully selecting the most illuminating and relevant entries, Carter
has provided us with an astonishingly intimate view of his presidency. Day by day, we see his
forceful advocacy for nuclear containment, sustainable energy, human rights, and peace in the
Middle East. We witness his interactions with such complex personalities as Ted Kennedy,
Henry Kissinger, Joe Biden, Anwar Sadat, and Menachem Begin. We get the inside story of his
so-called "malaise speech," his bruising battle for the 1980 Democratic nomination, and the
Iranian hostage crisis. Remarkably, we also get Carter's retrospective comments on these
topics and more: thirty years after the fact, he has annotated the diary with his candid
reflections on the people and events that shaped his presidency, and on the many lessons
learned. Carter is now widely seen as one of the truly wise men of our time. Offering an
unprecedented look at both the man and his tenure, White House Diary is a fascinating book
that stands as a unique contribution to the history of the American presidency.

Trouble in the White HouseJan 25 2022 The President and First Lady Raynetta Jefferson
seem to be back on track. She has managed to hurdle over her husband's affairs, but her
mother-in-law continues to be the real thorn in her side. Meanwhile President Jefferson has his
mind on his job. Sweeping gun-control legislation has been passed, and terrorism is being
dealt with in a major way. The president is riding high from his multiple accomplishments, until
he's told about a son he never knew he had, who has been classified as a dangerous terrorist.
The shocking news brings the president to his knees.

Wine and the White HouseJul 31 2022

The White HouseNov 30 2019 Describes the mansion's history, its architectural significance,
and its contents.

White House, IncJan 01 2020 An in-depth investigation into Donald Trump's business—and
how he used America's top job to service it. White House, Inc. is a newsmaking exposé that
details President Trump's efforts to make money off of politics, taking us inside his exclusive
clubs, luxury hotels, overseas partnerships, commercial properties, and personal mansions.
Alexander tracks hundreds of millions of dollars flowing freely between big businesses and
President Trump. He explains, in plain language, how Trump tried to translate power into profit
from the 2016 campaign to the ramp-up to the 2020 campaign. Just because you turn the
presidency into a business doesn't necessarily mean you turn it into a good business. After
Trump won the White House, profits plunged at certain properties, like the Doral golf resort in
Miami. But the presidency also opened up new opportunities. Trump's commercial and
residential property portfolio morphed into a one-of-a-kind marketplace, through which anyone

anywhere, could pay the president of the United States. Hundreds of customers—including foreign governments, big businesses, and individual investors—obliged. The president's disregard for norms sparked a trickle-down ethics crisis with no precedent in modern American history. Trump appointed an inner circle of centimillionaires and billionaires—including Ivanka Trump, Jared Kushner, Wilbur Ross, and Carl Icahn—who came with their own conflict-ridden portfolios. Following the president's lead, they trampled barriers meant to separate their financial holdings from their government roles. *White House, Inc.* is a page-turning, hair-raising investigation into Trump and his team, who corrupted the U.S. presidency and managed to avoid accountability. Until now.

[Restoration of the White House](#) Jun 29 2022

[My Little Golden Book About The White House](#) Nov 03 2022 Now the littlest readers can learn about the White House--how it came to be, and what it's like to live there! In this engaging Little Golden Book, preschoolers will enjoy fascinating stories about the White House and some of the presidents, First Families, and even First Pets who have lived there. Simple words and bright artwork bring to life the story of how the White House came to be, and how it has changed over time. Little ones will learn that George Washington himself chose the building site, and that nearly every president has left his mark--from Thomas Jefferson's introduction of "water closets"--early toilets!--to Michelle Obama's vegetable garden. And kids will gain a clear understanding of the role the White House plays in American life and culture. Fun anecdotes about the rowdy Roosevelt children riding metal trays down the staircase, the annual Easter Egg Roll, and how the White House once kept cows for milk complete this charming nonfiction Little Golden Book.

[The White House Is Burning](#) Dec 04 2022 The British are coming. This "biography of a single day" captures the burning of the White House by the British during the War of 1812 from the viewpoint of the people who were there, including First Lady Dolley Madison, a British officer, and a nine-year-old slave. In the early hours before dawn, a cry went out that the British were advancing on Washington, D.C. America was two years into another war—The War of 1812. By nightfall on the 24th, British soldiers were setting fire to D.C., starting with the Navy Yard, then the Capitol and the White House, where First Lady Dolley Madison still kept watch. Jane Sutcliffe draws upon first-person accounts to recreate a compelling chronology of the events of August 24, 1814.

[A Budget for a Better America](#) Sep 20 2021

[President Nixon](#) May 17 2021 Biography of the President who led the United States through an era which included the Vietnam Conflict, publication of the Pentagon Papers, an end to the gold standard, affirmative action, and the disastrous Watergate scandal.
