Talent is great if you have it and luck is fine if you can find it, but Alex Kazemi learned it would take something more to make dreams come true. It would take magick—a real, spiritual force that anyone can learn to harness. You have the power within you. “Alex Kazemi is a boy wonder.” —Shirley Manson “My favorite millennial provocateur.” —Bret Easton Ellis Magick isn't a treasured secret for a privileged few. It's meant for everyone. It's meant for you. Are you ready to bend reality? Do you want to get out of The Simulation? Do you want to unlock your creative potential? Do you hunger for a more balanced, awakened life? Magick offers this and more. Follow Alex on his journey from troubled outsider to an enlightened young man as he shares the secret power of pop magick. “Alex Kazemi has his finger on the pulse of magick and all its wonders.” —George Noory, Host of Coast to Coast AM “I want to heal. This book should help me along my treacherous path to better understanding myself.” —Bella Thorne “If Alex is a magician, then he would disappear.” —Marilyn Manson “Alex's creativity is off the charts.” —The AstroTwins, Ophira & Tali Edut (Astrostyle.com) Magick is used to attract money, love and luck, but it can also be used to inspire artists, to encourage loyalty and passion, to increase popularity and fame, or to repel attacks. Magick can make people see you in a new light, protect you, end bad luck, open new opportunities, and direct change in whatever way you want. If you have a need, it can be served through magick. With servitor magick you create a spirit yourself, using your mind, heart and soul, to serve your deepest needs. This is the most personal magick imaginable, and it can reward you with extreme pleasure, the power to create change, and the ability to attract prosperity in all areas of your life. Everything that could be said about servitors has been said. Until now. Servitor magick has been around for a long time, but it became popular in the last half-century or so. There are countless Chaos Magick books and free websites that will tell you how to create a servitor. There are a small number of variations on a theme, but the essence of these sources is the same. Magickal Servitors contains two major secrets discovered by The Gallery of Magick, which are embedded within the fabric of this process. This magick is designed to be accessible to beginners as well as experienced occultists. If you are new to magick, all you need is an open mind and the willingness to work with the techniques as instructed. You will be pleasantly surprised by the way the world yields to the touch of magick. You will discover: Spirits that are easy to contact and effortless to command. Servitors that grow and change with your needs. Magick for long-term, repeating results. Servitors for Self-Development, that help you enhance or subdue a personality trait. Perception Servitors, to see people and situations clearly. Servitors of influence, to stir thoughts and feelings in others. Manifestation Servitors for material rewards and real-world change. The secret process of Vision, Creation and Life that gives birth to a loyal, powerful spirit. Acclaimed author Damon Brand say, 'With the secrets of practical magick, you create your life according to your true will. There is no higher magick than the magick that brings results.' This book presents a system for creating servitors that will enable you to craft a conscious spirit that will act on your behalf, manipulating matter, time and the patterns of reality to bring the results you desire. Discover how

to perform Enochian magick with a straightforward guide that shows just what to do. The Essential Enochian Grimoire is an easy-to-read manual that's light enough to carry in a magickal circle yet provides all the details you need to perform the ceremonies. Impeccably researched and clearly organized, this book is the definitive primer on a topic that has captivated esotericists for centuries. Explore the history of Enochian cosmology, the angels and the spirits of the system, the temple setup, and the making and usage of the tools. Learn the secrets of John Dee's classical Enochian system as well as the modern system developed by the Golden Dawn. Practice the rituals of the new and the old...and summon the angels who guard the gates of heaven. Praise: "Aaron Leitch has done a remarkable job of clarifying the Enochian system for the benefit of both beginners and advanced magicians alike. You will not find a better introduction to Enochian magick anywhere."—Chic and Tabatha Cicero, Chief Adepts of the Hermetic Order of the Golden Dawn and co-authors of The Essential Golden Dawn "In the complex and often confusing world of Enochian magick, Aaron Leitch has accomplished the seemingly impossible by bringing clarity and precision while never oversimplifying or speaking down to the reader."—Donald Michael Kraig, author of Modern Magick "An indispensable addition to any Enochian magician's bookshelf."—Fratr Yechidah, author of Enochian Magic in Theory In his popular Magickal Cashbook, author Damon Brand taught readers how to attract money in moments. In Wealth Magick, he reveals the closely guarded secrets of the super-rich. WARNING: This book uses angels and demons. The entire operation is made safe by omnipotent angels, but if the thought of working with demons makes you squeamish, look to my other books such as Words of Power and Magickal Angels, which have no demonic content. This book is designed for serious occult workers, who want to focus on wealth creation in the long term. The magick is safe, because every demon is constrained by angelic forces, but this is not a book for those who are uneasy with the occult. Damon says, "To be clear, and for the sake of complete honesty, I am not super-rich, but I am extremely wealthy compared to where I was last year, and compared to my childhood I feel like a billionaire. To me this is extreme prosperity, because I never have to worry about money, I get to do everything I want to do, go the places I want and own the things I've always dreamed of having." How rich you become is up to you. Wealth Magick concentrates the best magick into a series of workings that will enable you to attract the wealth you desire. If you want money, it's yours. You do not have to spend years performing endless spells, or months trying to see and talk to strange and dangerous spirits. This method has been concentrated into the purest magick. You begin attracting riches from day one. As Damon Brand points out, magick is often over-complicated. He says, "Before you know it you're trying ten different methods at once and your house is filled with candles, altars, incense and all sorts of images, crystals and magickal gadgets." The good news is that most of this junk can be thrown out. Everything you need is contained in Wealth Magick. The magickal operations in this book are not about attracting a little extra cash. They are about creating a completely new lifestyle, based on a flow of extreme prosperity. You will discover: * The #1 mistake people make when trying to manifest money. * A set of unique secret seals, drawn from ancient texts and combined with modern magick. * How to find out what you really want, and perform your magick safely. * A quick ritual for attracting fast cash. * 7 wealth workings that can not be found anywhere else. While maintaining an intimate link with the reader, the author Kenny Berman describes a practical shamanic method for applying sacred visionary plants for healing and transformational purposes. The ancient methods taught within are techniques he learned from the plants in the same manner as the shamans receive their knowledge. These methods were later refined and elaborated upon through his experiences working with mestizo curanderos in the Ucayali region of the Peruvian Amazon and other curanderos in Chiapis, Mexico in the 1990's. The book documents shamanic techniques for applying sacred visionary plants, namely: ayahuasca, Psilocybe mushrooms, Iboga, Salvia divinorum, peyote, San Pedro and others in a prescribed ritual manner. It begins by stating the philosophy of Psychedelic Shamanic Magick and then continues to describe all the shamanic tools (smoke, feathers,

voice, scent, percussion, color, stones and more.) that are used in conjunction with willpower for creating a lasting change or to reveal transformative information. It ties all of this together into a complete ritual process beginning with the collection of the plants and culminating in the final procedure of consuming a sacred visionary plant in ceremony. "Magick is not a path for followers; it is a path for questioners, seekers, and anyone who has trouble settling for dogma and pre-formulated answers. Magick is for those who feel the desire to peel away the surface of reality and see what lies beneath. Like various persecuted forms of mysticism, magick promotes direct contact with the source of creation." —Damien Echols Discover a Powerful Practice for Transforming Yourself and Your Reality At age 18, Damien Echols was sentenced to death for a crime he didn't commit. "I spent my years in prison training to be a true magician," he recalls. "I used magick—the practice of reshaping reality through our intention and will—to stave off incredible pain, despair, and isolation. But the most amazing feat of all that practice and study was to manifest my freedom." With High Magick, this bestselling author shares his first teaching book on the powerful spiritual techniques that helped him survive and transcend his ordeal on death row. Though our culture has consigned "magic" to fiction, stage illusions, or superstitions about dark practices, the magick Damien learned is an ancient Western tradition equal the Eastern practices of Buddhism, Taoism, and yoga in its wisdom and transformative power. Here he brings you an engaging and highly accessible guide for bringing magick into your own life, including:

- What is High Magick? Damien clears away the stigma and reveals the history and core teachings of this extraordinary art.
- The Four-Fold Breath—a foundational meditation practice to train your mind and body to channel subtle energies.
- The Middle Pillar—how to bring divine energy into the central channel of your body for empowerment and healing.
- The Qabalistic Cross—a centering technique to help you stay balanced and protected regardless of circumstances.
- The Lesser Rituals of the Pentagram—powerful practices for banishing negative energies and invoking energy to manifest your goals.
- Working with angelic beings and other spiritual allies to support your practice.
- Creating thoughtforms to assist you in your ongoing magickal development.
- Guidance for overcoming your doubts, enhancing your visualization skills, creating talismans, practicing magick ethically, and much more.

"Magick is a journey," writes Damien. "It's a continuously unfolding path that has no end. You can study and practice magick for the rest of your life and you will still never learn everything that it has to teach you." If you're ready to discover your untapped potential for co-creating your reality with the energy of the divine, then join this extraordinary teacher to begin your training in High Magick. If you have a genuine desire, speaking Words of Power will make the magick come alive for you. It takes moments to read the words and then the magick happens. If you've ever done magick of any kind - whether casting a spell, performing a ritual or even just praying - this may sound too good to be true. Author Damon Brand says, 'I felt the same way when I first explored these ideas, because I have spent a lot of time working with more complex magick. When I tried the Words of Power, the results I received convinced me that this magick works.' Damon Brand works with a group of occultists known as The Gallery of Magick and they have spent several decades testing the best combinations to create the most safe and effective Words of Power. Words of Power work because they connect you to spirit forces with direct access to divine power. The book gives you the ability to avoid violent situations, attract generosity, know what people are thinking, improve luck, skills and wisdom as well as getting support for your projects. Words of Power give you new ways to attract money, make money last longer, protect yourself, repel enemies, gain an advantage as well as winning competitions. You will discover: 25 word combinations that produce results. Magick that can be done in private. Emergency magick for instant results. A brief activation ritual that switches the words on. Damon Brand says, 'Magick is about getting results in the real world, and that is the promise of this book.' Simplifying the vast array of mystical traditions throughout the world, this nondogmatic primer discusses Paganism, Christianity, Islam, and other spiritualities, covering such topics as the powers of creation, life forces, elements, sacred space and time, and magick. Original. This book contains over 150 sigils, seals and talismans, from the following Damon Brand books: Magickal Angels, The Greater Magickal Angels, Magickal Riches, Magickal Protection, Magickal Cashbook, The Magickal Job Seeker and Words of Power. It is only of use to you if you are familiar with these works. Each image is printed on its own page (with nothing on the back), so you can use them easily in rituals. You can photocopy the images, use them directly in the book or even cut up the book and use the sigils in your magickal work. Images that contain

color - such as the red central seal on the 72 angelic sigils - have been printed with color. The Master Money Talisman from Magickal Riches is also presented here in color. This book is not essential for students of Damon Brand, but was requested by many readers, and should be thought of as a luxury for those who want high-quality, physical copies of the images. The practice of phase states of the mind is the hottest and most promising pursuit of the modern age. Unlike in the past, the notions of "out-of-body experience" and "astral projection" have already lost their mystical halo, and their real basis has been studied in minute detail from the most non-nonsense approach. Now, this phenomenon is accessible to everyone, regardless of their worldview. It is now known how to easily master it and apply it effectively. It gives each and every person something that previously could only be dreamt about - a parallel reality and the possibility of existing in two worlds. There are one hundred and eleven sigils in this book that can help with anything from self-confidence to luck, from healing to protection, and from inspiration and intuition to love. When you work with the sigils in this book, you throw out all the confusing magickal garbage and get straight to the power of change. Sigils provide you with a visual code that unlocks the essence of magick. This book does not contain anything to do with witchcraft, spellcasting, kabbalistic ritual, evocation or any other method of magick that you might be familiar with. A sigil is nothing more than a drawing, but in this case, the drawing is so much more than you can imagine. These drawings bypass the conscious mind, connecting you to a stream of pure magick. This is not dark magick, but magick of light. You can do no harm with this magick, to yourself or to others. The magick works because you have access to one hundred and eleven secret sigils, handed down from ancient times. Every one of them can work wonders in the modern world. You will discover: The Magick of the Mind Inspiring Others Extended Perception Fortune Love and Friendship Breakthrough Magick Spiritual Magick Personal Strength Peace Magick Protection Magick Personal Healing Health Magick Wisdom and Education Business and Finance Employment Magick The magick presented here is not bound to any religion, and it requires no magick words. You don't have to learn any difficult pronunciations or say a single word out loud. The magick requires no visualization and no equipment. You won't light a candle or wave a wand. All you need is this book, your own strong desire and the will to carry out the instructions. When Morgan, a hereditary witch, finds herself in possession of her mother's ritual tools, she feels increasing pressure from her boyfriend and possible soul mate, Cal, who leads Morgan to use her powers in ways she thinks is wrong. The Greater Magickal Angels follows on from the popular Magickal Angels, but is a complete magickal system in its own right. You do not need to be familiar with the first book to get results. Magickal Angels introduced readers to 24 angels, but The Greater Magickal Angels covers the powers of 48 angels that were not revealed in the first book. You can start working with the Greater Angels immediately and everything you need is included here. The angels in this book can help you to develop and attract love, find harmony, increase fame, find strength, break through adversity, sleep well, heal yourself and obtain clear thought. There are angelic powers that enable you to invent, discover new methods, improve your business and find new supporters. You can free yourself of enemies and increase the loyalty of friends and lovers. The power to improve prosperity, win awards, write well, be stable, reduce anxiety, learn easily, understand in new ways and dominate strong personalities is at your hand. The angels can help you to excite new passion, discover more about yourself and see the past, present and future with clarity. Whether you are seeking fame, money, wisdom, healing or peace, the angelic powers can help you to improve your life in the ways that matter to you most. Although the same ritual technique from Magickal Angels is repeated here, the powers revealed are sometimes more subtle and precise, as well as being richer and more complex. That is why I refer to these as the 'greater' angels. It doesn't mean that they are necessarily better, but when used wisely they can have more far-reaching and long-lasting effects. Often, getting a magickal result requires a subtle, cunning and well-planned approach that occurs in stages. The angels in this book will help with your greater plans. This magick works regardless of your religion or beliefs. Hebrew words are used, along with Latin Psalms, because these are keys to angel magick. This does not make the magick Jewish or Christian. Aspects of those religious structures have been incorporated into the magick, because they are shortcuts to angelic contact. This magick is used by people of many religious backgrounds, and by atheists and by those who just sense there is something magickal going on out there. The angels will respond to any strong desire, and help you bring about change in the world. This book contains secrets that enable angelic contact to occur rapidly. You will

Geomancy is simple, quick, and direct - anyone can get answers to any question in a matter of moments by learning how to read the patterns revealed by the 16 symbolic figures formed of single and double points. During the Middle Ages and Renaissance, geomancy was used by everyone from popes to peasants because it provided practical, useful results. Often mistaken for feng shui or ley lines, or hidden within poorly explained tables and charts, geomancy has become something of a lost art - until now. *Earth Divination, Earth Magic* provides a fascinating look into the history, theory, and practice of geomancy, including a thorough set of instructions for both casting and interpreting a chart for yourself, or a friend. *Crone's Book of Magical Words* (previously published as *The Crone's Book of Words*) by Valerie Worth is the book you've been waiting for! In its pages are over 125 spells, incantations and charms. If you can think of a purpose for a spell, it's probably in this book. Need a spell to summon a ghost? Or perhaps you want the opposite: a spell to free a house from being haunted. They're both in this book. Do you need something to help you lose weight or have longevity? You'll find them here. Or perhaps you want to pass through a locked door. It's all in this book. Even if you don't know a thing about magic, you can use this book. The spells are easy, poetic, and evocative. For example, to cure a wart the instructions are: "Stamp within a silver cup mullein and houseleek together. Stir them with a sparrow's feather. Let it draw the juices up; Twenty times upon one day, brush them over the excrescence; Under sunlight dry the essence ? Soon the wart must shrink away." The range in this book is phenomenal. You'll find a simple fertility charm and a way to conjure with smoke. You'll read about how to bring rain and how to stop rain from falling. You'll learn how to tell fortunes with sand or with tea leaves. This is more than just a book about magic, it is a folklorist's bonanza. If you're ready to win another's love or to sweeten someone's disposition, if you want to turn hair long and golden or discover tree spirits, this is the book you must have. Whether you have been doing magic for a long time or are a beginner, this book is a must. "Specific instructions on how to dream lucidly and consciously leave one's body. Describes various methods of achieving the out-of-body state and what to do once there"--Provided by publisher. There is no such thing as a simple ritual to make you an overnight success. This is a system of magick. It is far more than a list of rituals that solve problems. You integrate a successful pathway into your life. The great secrets of magick were delivered to a genius mathematician in the sixteenth century. After that, the magick was locked away for many years, then found again and shared in secret. Occultists are beginning to unravel these secrets to the point where they have become practical. The methods described here are based on a lifetime studying and exploring success, combined with the wisdom of the Enochian Angels. Whether you are tired of the struggle, battling against competitors, finding it difficult to start or finish a project, uncertain of what to do with your life, or straining to get where you want to be, this book presents a form of magick that can unlock your dreams. Whatever your age or experience, and no matter what you have gone through before, it is never too early or too late to find success. From this point on, you can choose the life you have always wanted. With this magick, you can compress time, improve fortune, and open opportunity in a way that cannot happen without magick. *Enochian Magick* reveals an underlying power in the universe that can bring you the success you desire. This book shows every step you need to take. People may tell you that you cannot use Enochian Magick, but the angels said otherwise. They said that magick should be used. We were told to use this magick to understand and experience its power. That is what you can do now. You don't need any equipment or special magickal skills. You only need a private space where you can perform the magick. Centuries ago, in a set of strange and fascinating circumstances, the angels revealed an encoded magickal system to Doctor John Dee, a friend and advisor to Queen Elizabeth I. This secret magick was nearly taken by the flames of the Great Fire of London. It survived, and has slowly been recovered, examined, explored, and experienced.

Enochian Magick is no longer a historical curiosity but the essence of practical magick. Give it your attention, and it can open you up to a life of success. Discover how to use the spiritual teachings of the Tree of Life to learn more about yourself, improve your experience on Earth, and fulfill your life purpose. The Qabalah is a Western non-religious mystic tradition (differing from the Kabbalah, which is an aspect of Jewish mysticism) offering teachings on the nature of divinity, the creation, the origin and fate of the soul, and the role of human beings. It consists of meditative, devotional, and mystical practices, including astrology, tarot, and magic. The central organizational system of the Qabalah is the Tree of Life - a mystical symbol consisting of ten interconnected spheres and considered to be a map of the universe and the psyche, the order of the creation of the cosmos, and a path to spiritual illumination. This introductory book breaks down the ideas of the Tree of Life into an easy to follow path, and shows how to use it effectively in our lives. Readers will learn:

- the meaning of each of the spheres
- a ritual and a meditation for each sphere
- the gods, archangels, crystals, and magical tools connected to each sphere and how to work with them
- how to set up a personal temple and create their own magical symbol
- how to chant the Qabalistic prayer to draw down the Archangels for protection

The magickal methods and esoteric knowledge of medieval Europe (476 to 1453 C.E.) form the ancestral backbone of modern ceremonial magick. To understand medieval magick, it's necessary to know the primary repositories of this knowledge - the grimoires of spells, incantations, and ritual instructions for working with angels and conjuring spirits. And to understand the grimoires, you must delve into the life and times of the magicians who wrote them.

Scholar and magician Aaron Leitch sheds light upon the greatly misunderstood subject of the medieval mage in this comprehensive reference manual. In addition, he provides valuable comparisons among the magical practices described in the grimoires and various shamanic methods of working with the spirit world.
