*“Westeros is probably closer to medieval Britain than anything else.” George R.R. Martin, creator of Game of Thrones Kings who were insane, infant or imprisoned; feuding families, disputed successions and monarchs executing their brothers; exiled nobles, war with France and enemies forced to unite against a common foe – the history of the Wars of the Roses is so filled with drama that it feels like fiction. In fact, it has inspired fiction. As Game of Thrones author George R.R. Martin said: “I’ve drawn on many parts of history, but the Wars of the Roses is probably the one A Song Of Ice and Fire is closest to.” Telling the story of the fifteenth century wars between Lancastrians and Yorkists, The Wars of the Roses follows the course of the conflict from the succession of infant King Henry VI right through to the defeat of rebellions under Henry VII. Its protagonists were twisted by their conflicting loyalties of blood, marriage and, above all, ambition. From mad Henry VI captured in battle to the mystery of the*

*'Princes in the Tower' and the truth behind Richard III's deformity, the book is a lively account of more than 30 tumultuous years. Illustrated with more than 200 colour and black-and-white photographs, artworks and maps, The Wars of the Roses reveals the scheming and betrayal, the skullduggery and murder behind the struggle to gain power – and then hold on to it. The author of the New York Times bestseller The Plantagenets and The Templars chronicles the next chapter in British history—the historical backdrop for Game of Thrones The inspiration for the Channel 5 series Britain's Bloody Crown The crown of England changed hands five times over the course of the fifteenth century, as two branches of the Plantagenet dynasty fought to the death for the right to rule. In this riveting follow-up to The Plantagenets, celebrated historian Dan Jones describes how the longest-reigning British royal family tore itself apart until it was finally replaced by the Tudors. Some of the greatest heroes and villains of history were thrown together in these turbulent times, from Joan of Arc to Henry V, whose victory at Agincourt marked the high point of the medieval monarchy, and Richard III, who murdered his own nephews in a desperate bid to secure his stolen crown. This was a period when headstrong queens and consorts seized power and bent men to their will. With vivid descriptions of the battles of Towton and Bosworth, where the last Plantagenet king was slain, this dramatic narrative history revels in bedlam and intrigue. It also offers a long-overdue corrective to Tudor propaganda, dismantling their self-serving account of what they called the Wars of the Roses. The Wars of the Roses raged from 1455 to 1485 - the longest period of civil war in English history. They barely affected the daily routine of the civilian population, yet for the leaders of the opposing houses of York and Lancaster, the wars were devastating. First hand accounts reveal how the lives of their women and children were blighted during three decades of war, as many of their male relatives met with violent deaths. This book examines in detail the causes, course and results of each of the main wars and concludes with a fascinating insight into why the wars ended so abruptly. Oliver and Barbara Rose thought they had a perfect marriage, only to discover their marriage was skin deep. This story was made into a major motion picture with Michael Douglas and Kathleen Turner. The Classic Story of a Nasty Divorce. This play is based on the book that inspired one of the most famous movies about divorce ever produced. Shown somewhere in the world*

every week, the movie is an excellent adaptation of the book that has been translated in almost every language on the planet. It tells the story of Oliver and Barbara Rose who thought they had a perfect marriage, only to discover that their relationship was barely skin deep. The war they wage against each other eventually escalates into brutality and madness as they throw caution to the winds and destroy their most prized possessions as they spiral into chaos. The impact of both the book and the movie have made them both classics and brought the title *The War of the Roses* into the accepted jargon describing the terrible hatred and cruelty engendered in divorce proceedings. A Major Motion Picture starring Michael Douglas and Kathleen Turner released by Twentieth Century Fox. In the second Godwicks novel, the bestselling author of *The Red* “transmutes spicy mythological tales into sensual fantasies and erotic romance” (Publishers Weekly, starred review). On the day of Lia Godwick’s university graduation party, her parents—wealthy art collectors with friends in high places—gift her a beautiful wine cup, a rare artifact decorated with roses. It’s a stunning gift, and one that August Bowman, a friend of her parents and a guest at Lia’s party, also has his eye on. The cup, August tells her, is known as the Rose Kylix, and it’s no ordinary cup. It was used in the temple ceremonies of Eros, Greek god of erotic love, and has the power to bring the most intimate sexual fantasies to life. But Lia is skeptical of August’s claims of the cup’s mythology and magic—after all, he’s a collector himself, and she suspects he just wants to get his hands on this impressive piece of art. So he dares her to try it for herself, and when Lia drinks from the Rose Kylix she is suddenly immersed in an erotic myth so vivid it seems real—as though she’s living out the most sensual fantasy with August by her side . . . Realizing the true power of this ancient and dangerous relic, Lia is even more wary of giving it up, though August insists it is only safe with him. He’s willing to pay the full value of the cup, but Lia has another type of trade in mind. One that finds them more tangled up in each other—and in fantasy—than either was prepared for. In paperback for the first time, this gorgeous and affordable edition of *The Rose Bible* (out of print in hardcover, 0-517-58821-8) is a must-have for every rose grower, novice or expert. This beloved classic by America’s leading rosarian reveals everything a gardener needs to know about this most treasured of garden plants. Ray Reddell has distilled his vast knowledge of the eternally popular

rose into one copiously illustrated, indispensable reference, offering expert advice on everything from planting and pruning to training and grafting roses. Encompassing antique and modern roses, original species and recent hybrids, bushes and shrubs, ramblers and climbers, this is the definitive volume on growing splendid roses. Encompassing a history of the rose, the origins of different varieties, and information on care and cultivation, this alphabetically organized, richly illustrated reference showcases more than two thousand varieties of the popular garden plant. Explores the events of the Wars of the Roses through the eyes of the key players. Discover the personalities behind the fight for the throne. During her short time as a ward in Queen Marguerite's Lancastrian court, fifteen-year-old Isobel has had many suitors ask for her hand, but the spirited beauty is blind to all but Yorkist Sir John Neville. It is nothing short of a miracle when the Queen allows Isobel's marriage to the enemy, albeit at a hefty price. All around Isobel and John rages a lawless war. It is only their passion that can see them through the bloody siege of London by the Duke of York, the violent madness of Queen Marguerite, and the devolution of Isobel's meek uncle into the Butcher of England. For theirs is an everlasting love that fears not the scratch of thorns, from either the Red Rose or the White. The Wars of the Roses tore England asunder. Over the course of thirty years, four kings lost their thrones, countless men lost their lives on the battlefield or their heads on the block, and others found themselves suddenly flush with gold. Yet until now, little has been written about the ordinary people who lived through this extraordinary time. *Blood and Roses* is a gripping, intimate story of one determined family conducting everyday business against the backdrop of a disintegrating society and savage civil war. Drawing on a rare trove of letters discovered in a tumbledown stately home, historian Helen Castor reconstructs the turbulent affairs of the Pastons through three generations of births, marriages, and deaths as they single-mindedly worked their way up from farmers to landed gentry. It is a remarkable chronicle of devotion, ambition, and survival that brings a remote and hazy era to vibrant new life. The Wars of the Roses is one of the most dramatic and fascinating periods in medieval history. Much has been written about the leading personalities, bitter dynastic rivalries, political intrigues, and the rapid change of fortune on the battlefields of England and Wales. However, there is one aspect that has been

often overlooked, the role of castles in the conflict. Dan Spencer's original study traces their use from the outbreak of civil war in the reign of Henry VI in the 1450s to the triumph of Henry VII some thirty years later. Using a wide range of narrative, architectural, financial and administrative sources, he sheds new light on the place of castles within the conflict, demonstrating their importance as strategic and logistical centres, bases for marshalling troops, and as fortresses. Dan Spencer's book provides a fascinating contribution to the literature on the Wars of the Roses and to the study of siege warfare in the Middle Ages.

In the spring of 1944, Antoine de Saint-Exupéry left his wife, Consuelo, to return to the war in Europe. Soon after, he disappeared while flying a reconnaissance mission over occupied France. Neither his plane nor his body was ever found. *The Tale of the Rose* is Consuelo's account of their extraordinary marriage. It is a love story about a pilot and his wife, a man who yearned for the stars and the spirited woman who gave him the strength to fulfill his dreams.

Consuelo Suncin Sandoval de Gómez and Antoine de Saint-Exupéry met in Buenos Aires in 1930—she a seductive young widow, he a brave pioneer of early aviation, decorated for his acts of heroism in the deserts of North Africa. He was large in his passions, a fierce loner with a childlike appetite for danger. She was frail and voluble, exotic and capricious. Within hours of their first encounter, he knew he would have her as his wife. Their love affair and marriage would take them from Buenos Aires to Paris to Casablanca to New York. It would take them through periods of betrayal and infidelity, pain and intense passion, devastating abandonment and tender, poetic love. Several times in the course of their marriage they would go their separate ways, but always they would return. *The Tale of the Rose* is the story of a man of extravagant dreams, and of the woman who was his muse, the inspiration for the Little Prince's beloved rose—unique in all the world—whom he could not live with and could not live without. Written on Long Island in a quiet spell of reconciliation, *The Little Prince* was Antoine's greatest gift to the woman he never stopped loving, the only child to emerge from their union. *The Tale of the Rose* is Consuelo's reply—the love letter she never could write to her husband—a fable of its own, just as magical, poetic, and tragic as *The Little Prince*. Praise for *The Tale of the Rose* “We find in these pages all the tenderness and patience, but also the tenacity, of a woman who loves. Consuelo does not seek to explain or even to

understand her husband, she accepts him and leads him to what he must be. . . . Written with a strong and authentic voice, *The Tale of the Rose* is a book to read for its strength of character, and for the adventure that it offers.”—Elle Jonathan and Barbara Rose seem to be the perfect couple--successful and devoted--until Jonathan collapses with what appears to be a heart attack and the underlying ugliness of their relationship erupts. Discovered abandoned as a baby in a New York City alley and raised by the Clayborne brothers, four urchin boys, Mary Rose Clayborne remains fiercely loyal to her misfit family until an English lord reveals a shocking secret that sends her into a confrontation with her past. Reissue. Incorporated in 1886 by midwestern settlers known as the Indiana Colony, the City of Pasadena has grown into a world-famous tourist destination recognized for the beauty of its Tournament of Roses Parade, the excitement of the annual Rose Bowl, and the charm of the Old Town District. But what existed before the roses? Before it was Pasadena, this land was Hahamog’na, the ancestral lands of the Tongva people. Later, it comprised the heart of the San Gabriel Mission lands, and in the Mexican period, it became Rancho San Pascual. The 1771 Spanish conquest of this land set in motion several colonial processes that would continue into the twentieth century and beyond. In *Pasadena Before the Roses*, historian Yvette J. Saavedra examines a period of 120 years to illustrate the interconnectedness of power, ideas of land use, and the negotiation of identity within multiple colonial moments. By centering the San Gabriel Mission lands as the region’s economic, social, and cultural foundation, she shows how Indigenous, Spanish, Mexican, and American groups each have redefined the meanings of land use to build their homes and their lives. These visions have resulted in competing colonialisms that framed the racial, ethnic, gender, and class hierarchies of their respective societies. What happens when a former Zen Buddhist monk and his feminist wife experience an apparition of the Virgin Mary? “This book could not have come at a more auspicious time, and the message is mystical perfection, not to mention a courageous one. I adore this book.”—Caroline Myss, author of *Anatomy of the Spirit* Before a vision of a mysterious “Lady” invited Clark Strand and Perdita Finn to pray the rosary, they were not only uninterested in becoming Catholic but finished with institutional religion altogether. Their main spiritual concerns were the fate of the planet and the future of their children

and grandchildren in an age of ecological collapse. But this Lady barely even referred to the Church and its proscriptions. Instead, she spoke of the miraculous power of the rosary to transform lives and heal the planet, and revealed the secrets she had hidden within the rosary's prayers and mysteries—secrets of a past age when forests were the only cathedrals and people wove rose garlands for a Mother whose loving presence was as close as the ground beneath their feet. She told Strand and Finn: The rosary is My body, and My body is the body of the world. Your body is one with that body. What cause could there be for fear? Weaving together their own remarkable story of how they came to the rosary, their discoveries about the eco-feminist wisdom at the heart of this ancient devotion, and the life-changing revelations of the Lady herself, the authors reveal an ancestral path—available to everyone, religious or not—that returns us to the powerful healing rhythms of the natural world. Two East Texas families must deal with the aftermath of a marriage that never happened leading to deceit, secrets, and tragedies in a sweeping multigenerational Southern saga "with echoes of *Gone with the Wind*." (Publishers Weekly) Spanning the 20th century, the story of *Roses* takes place in a small East Texas town against the backdrop of the powerful timber and cotton industries, controlled by the scions of the town's founding families. Cotton tycoon Mary Toliver and timber magnate Percy Warwick should have married but unwisely did not, and now must deal with consequences of their momentous choice and the loss of what might have been—not just for themselves but for their children, and their children's children. With expert, unabashed, big-canvas storytelling, *Roses* covers a hundred years, three generations of Texans, and the explosive combination of passion for work and longing for love. LOOK FOR LEILA MEACHAM'S HISTORICAL WWII EPIC, *DRAGONFLY*, COMING JULY 2019. Newly divorced and struggling to find a way to support her three boys, Molly Taylor is stunned when she inherits Harrington Hall, her late aunt's beloved yet dilapidated bed and breakfast. But does she really want to take over a three-hundred-year-old manor house on the Devon coast where the only thing that doesn't need urgent attention is the beautiful rose garden? Once she gets over the initial shock, Molly is ready to dive right in, but the universe has other plans: she must first overcome the needs of her eccentric uncle (and his pet parrot), the ambitions of her conniving brother, and the disquiet of her three sons. Not to mention

*an unexpected chance at new love. Nothing is going according to plan - and then Harrington begins to work its magic and the roses start to bloom . . . Charming, uplifting and highly entertaining, A Good Year for the Roses is a story for anyone who has ever dreamed of starting over. Wonderfully warm and witty, it will have you smiling until you turn the very last page. Having not married in spite of their true feelings, cotton tycoon Mary Toliver and timber magnate Percy Warwick struggle with deceit, secrets and tragedies that challenge their children and grandchildren in their small east Texas community. 75,000 first printing. A guide to more than 450 varieties of roses offers advice on selection, planting, watering, fertilizing, and pruning*

*NEW YORK TIMES BESTSELLER* *Gone with the Wind* meets *The Help* in the stunning prequel to Leila Meacham's bestselling family epic *Roses*. "From birth, Jessica had eschewed the role to which she'd been born. Was it because she sensed that her father's indulgence was compensation for his disappointment in her? Jessica thought too much, questioned, challenged, rebelled. Sometimes Eunice thought her daughter should have been born a male." Born into the wealthiest and most influential family in 1830s South Carolina, Jessica Wyndham was expected to look appealing, act with decorum, and marry a suitably prominent and respectable man. However, her outspoken opinions and unflagging sense of justice make her a difficult-and dangerous-firebrand, especially for slavery-dependent Carson Wyndham. Jessica's testing of her powerful father's love is only the beginning of the pain, passion, and triumph she will experience on a journey with the indomitable, land-obsessed Silas Toliver and headstrong Jeremy Warwick to a wild new land called Texas. **LOOK FOR LEILA MEACHAM'S WWII EPIC, DRAGONFLY, COMING JULY 2019. PRAISE FOR LEILA MEACHAM** "Discovering Leila Meacham and her spectacular talent is akin to discovering gold. With this novel she has become a national treasure." -Huffington Post "Rich with American history and pitch-perfect storytelling, fans and new readers alike will find themselves absorbed in the family saga that Meacham has proven-*once again*-talented in telling." -Publishers Weekly (starred review) Renowned American historian and leading horticulturalist Parkman wrote what was for many years a standard manual on the subject of roses in 1866. A guided journal to help people seize the day and live life to the fullest ... It happened again... In 1327, Brother William of Baskerville is sent to investigate charges of heresy against

Franciscan monks at a wealthy Italian abbey but finds his mission overshadowed by seven bizarre murders. A playful board book about the pillars of mindfulness from the bestselling creators of Hello!Lucky! This pun-derful guide to mindfulness offers many fun teaching moments for kids and their caregivers, covering topics from taking deep breaths to acknowledging strong feelings and working to let them go. Filled with bright, adorable illustrations in Hello!Lucky's inimitable style, this playful, sturdy board book is sure to give the preschool set much to ponder. As a bonus seek-and-find element, readers will find at least one rose on every spread—an additional reminder to stop and smell the roses! "Whatever happened to the children of the Roses?" "More than 20 years after the publication of *The War of the Roses*, the divorce story that inspired the famous movie starring Michael Douglas and Kathleen Turner, author Warren Adler returns with a biting sequel. Just when it seems the Rose children are headed for self-destruction, hilarious and unpredictable events intervene in Adler's wicked follow-up." *Pages Magazine* "In *The War of the Roses*, Adler set the ultimate standard for dysfunctional families. Now in his long-awaited sequel, the sins of the father are visited upon the next generation of Rose offspring... Adler's gift is to turn outrageously bleak scenarios into outrageously appealing black comedy." *Booklist* Warren Adler's *The War of The Roses* leaped onto the public consciousness and has since remained an essential thread in a wider tapestry of divorce iconography. Now, Adler presents us with the chandelier-shattering legacy of Barbara and Jonathan Rose relived in their children Josh and Evie in a hilarious sequel to the original iconic tale about the perils of marriage, divorce and the destructive power of materialism. Unlike the legendary Roses, Josh's marriage to Victoria should have all the qualities of an everlasting union. But when an innocent caper involving missing Milky Ways catapults out of control at their son's elite private school, the pair find themselves entering into a shattering warfare of a different kind. Armed with the emotional mayhem inherited from their parents, as well as compounded pressures involving a depraved headmaster, clandestine affairs and Victoria's male-hating mother, *The War of the Roses - the Children* presents a gripping story of the lengths to which parents will go to protect their children. Little more than a child herself, Josh's ever sympathetic and over-stuffed sister Evie lavishes her 'food-is-love' obsession on her beloved niece and nephew coping

with their own sense of loss. Meanwhile, Michael and Emily, soon-to-be children of divorce, orchestrate their own plan to keep their family together at all costs. Adler, once again, demonstrates his storytelling mastery by revealing the intricate blending of the past with the present, and how time unravels all things seemingly perfect to be darkly and even comically dysfunctional. Flower of legend and mystery, the rose has inspired great artists throughout history. From Antiquity to the present day, poets have sung its beauties, sculptors and artists have sought to depict its delicacy, and perfumers have drawn on its subtle and captivating scent. From Roman banquets strewn with rose petals to Medieval poems of courtly love; from Madame de Pompadour's delightful rose-strewn interiors to finely woven rose-motif fabrics for the Vanderbilt summer residence; from Monet's magical garden at Giverny to Colette's favorite "Maiden's Blush"; from contemporary wedding cake decoration to bouquets by Europe's finest florists-- "The Book of Roses" invites rose-lovers to sit back and indulge in the beauty of the rose in all its splendor. No other flower in the world is as greatly loved as the rose. With its heady perfume and timeless appeal, the rose is more than a pretty bloom-- it is an enchantment for all the senses. This beautifully illustrated homage will delight all rose-lovers with its thematic chapters inviting us to enjoy the queen of flowers in her many guises. "The Book of Roses" retraces stories and legends from across the ages in which the rose takes pride of place, and examines its age-old role as political and religious emblem, and as a symbol of human emotion and experience, from fidelity to loss of innocence, from love to death. The beauty and diversity of the rose is shown at its finest in its natural environment, the garden, but also in floral displays in the home; in art, design, and fashion; in fragrances and perfumes; and in refined recipes for the gourmet. "The Book of Roses" is completed by an address book listing a selection of the best rosegardens, nurseries, exhibitions and shows, and rose-inspired florists, decorators, fashion designers, fragrances, and food stores from around the world. Robert Seldon Rose was born in Henrico County, Virginia on February 24, 1774. and married Jane Lawson in 1796. The family moved to Seneca County, New York in 1803 and settled on a farm near Geneva. Descendants lived principally in Geneva, New York and surrounding areas of Wayne, Seneca, and Yates counties. The paintings of roses by the renowned 18th century botanical artist ; this reprint includes all

illustration plates from the original 3 volumes of *Les Roses* first pub. 1817-1824 in Paris. **WORLD HISTORY: FIRST WORLD WAR.** 'On the face of it,' writes Lyn Macdonald, 'no one could have been less equipped for the job than these gently nurtured girls who walked straight out of Edwardian drawing rooms into the manifest horrors of the First World War...' Yet the volunteer nurses rose magnificently to the occasion. In leaking tents and draughty huts they fought another war, a war against agony and death, as men lay suffering from the pain of unimaginable wounds or diseases we can now cure almost instantly. It was here that young doctors frantically forged new medical techniques - of blood transfusion, dentistry, psychiatry and plastic surgery - in the attempt to save soldiers shattered in body or spirit. And it was here that women achieved a quiet but permanent revolution, by proving beyond question they could do anything. All this is superbly captured in *The Roses of No Man's Land*, a panorama of hardship, disillusion and despair, yet also of endurance and supreme courage. To the outside world, my life is perfect. I'm young and rich, and some may even say I'm beautiful. But I would give anything to be somebody else because after being extraordinary all my life, all I wish for is...silence. My name is Lola Van Allen, and there's no easy way to say it, but...I'm dying. When my doctors reveal all hope is lost, I decide to spend the time I have left sharing my experience at Strawberry Fields, a summer camp for terminally ill children. No matter my fate, I yearn to make a difference. Things are quiet and slow-moving until I meet him. Dr. Roman Archibald. From the moment our lives entwine, he pushes me until breaking point. But for someone who has nothing left to lose, I push back twice as hard. Roman challenges me in ways I never imagined, revealing things aren't always what they seem. This is my story...and how I got a second chance at life. 'Iggulden is in a class of his own when it comes to epic historical fiction' *Daily Mirror* Conn Iggulden's *Wars of the Roses Ebook Bundle* contain the following: *Trinity Stormbird Bloodline Ravenspur* It is August 1945 in Wiesbaden, Germany. With the country in ruins, Anna Klein, displaced and separated from her beloved husband, struggles to support herself and her six-year old daughter Amalia. Her job typing forms at the Collecting Point for the US Army's Monuments Men is the only thing keeping her afloat. Charged with securing Nazi-looted art and rebuilding Germany's monuments, the Americans are on the hunt for stolen treasures. But after the horrors of the war, Anna wants only to

*hide from the truth and rebuild a life with her family. When the easy-going American Captain Henry Cooper recruits her as his reluctant translator, the two of them stumble on a mysterious stash of art in a villa outside of town. Cooper's penchant for breaking the rules capsizes Anna's tenuous security and propels her into a search for elusive truth and justice in a world where everyone is hiding something. In her debut novel C.F. Yetmen tells a story of loss and reconciliation in a shattered world coming to terms with war and its aftermath.*
