What does it mean to teach Shakespeare with purpose? It means freeing teachers from the notion that teaching Shakespeare means teaching everything, or teaching "Western Civilisation†? and universal themes. Instead, this invigorating new book equips teachers to enable student-centred discovery of these complex texts. Because Shakespeare's plays are excellent vehicles for many topics -history, socio-cultural norms and mores, vocabulary, rhetoric, literary tropes and terminology, performance history, performance strategies - it is tempting to teach his plays as though they are good for teaching everything. This lens-free approach, however, often centres the classroom on the teacher as the expert and renders Shakespeare's plays as fixed, determined, and dead. Teaching Shakespeare with Purpose shows teachers how to approach Shakespeare's works as vehicles for collaborative exploration, to develop intentional frames for discovery, and to release the texts from over-determined interpretations. In other words, this book presents how to teach Shakespeare's plays as living, breathing, and evolving texts. The search to find engaging and inspiring ways to introduce children and young adults to Shakespeare has resulted in a wide variety of approaches to producing and adapting Shakespeare's plays and the stories and characters at their heart. This book explores the range of productions, versions, and adaptations of Shakespeare aimed particularly at children or young people. It is the only comprehensive overview of its kind, engaging with a range of genres - drama, prose narrative, television and film - and including both British and international examples. Abigail Rokison covers stage and screen productions, shortened versions, prose narratives and picture books (including Manga), animations and original novels, plays and films rewriting Shakespeare. The book combines an informative guide to the productions and adaptations discussed with critical analysis of their relative strengths. It also has a practical focus including quotes from directors, actors, writers, teachers and young people who worked on or experienced the projects discussed. This book explores the appropriation of Shakespeare by youth culture and the expropriation of youth culture in the manufacture and marketing of 'Shakespeare'. Considering the reduction, translation and referencing of the plays and the man, the volume examines the confluence between Shakepop and rock, rap, graphic novels, teen films and pop psychology. Romeo and Juliet is one of the greatest plays ever written--but let's face it..if you don't understand it, then you are not alone. If you have struggled in the past reading Shakespeare, then we can help you out. Our books and apps have been used and trusted by millions of students worldwide. Includes: - An illustrated cast of characters - A helpful plot summary - Line-by-line translations in plain English - Illustrations that show the reader exactly what's happening in each scene--making the plot and characters clear and easy to follow

*Much Ado About Nothing* is a comedy by William Shakespeare. First published in 1600, it is likely to have been first performed in the autumn or winter of 1598-1599, and it remains one of Shakespeare's most enduring and exhilarating plays on stage. Stylistically, it shares numerous characteristics with modern romantic comedies including the two pairs of lovers, in this case the romantic leads, Claudio and Hero, and their comic counterparts, Benedick and Beatrice. Shakespeare everyone can understand--now in this new EXPANDED edition of *MIDSUMMER NIGHT'S DREAM*! Why fear Shakespeare? By placing the words of the original play next to line-by-line translations in plain English, this popular guide makes Shakespeare accessible to everyone. And now it features expanded literature guide sections that help students study smarter. The expanded sections include: Five Key Questions: Five frequently asked questions about major moments and characters in the play. What Does the Ending Mean?: Is the ending sad, celebratory, ironic . . . or ambivalent? Plot Analysis: What is the play about? How is the story told, and what are the main themes? Why do the characters behave as they do? Study Questions: Questions that guide students as they study for a test or write a paper. Quotes by Theme: Quotes organized by Shakespeare's main themes, such as love, death, tyranny, honor, and fate. Quotes by Character: Quotes organized by the play's main characters, along with interpretations of their meaning.

The first decade of the new century has certainly been a busy one for diversity in Shakespearean performance and interpretation, yielding, for example, global, virtual, digital, interactive, televisual, and cinematic Shakespeares. In *Locating Shakespeare in the Twenty-First Century*, Gabrielle Malcolm and Kelli Marshall assess this active world of Shakespeare adaptation and commercialization as they consider both novel and traditional forms: from experimental presentations (in-person and online) and literal rewritings of the plays/playwright to televised and filmic Shakespeares. More specifically, contributors in *Locating Shakespeare in the Twenty-First Century* examine the BBC's *ShakespeaRE-Told* series, Canada's television program *Slings and Arrows*, the Mumbai-based film *Maqbool*, and graphic novels in Neil Gaiman's *Sandman* series, as well as the future of adaptation, performance, digitization, and translation via such projects as National Theatre Live, the Victoria and Albert Museum's Archive of Digital Performance, and the British Library's online presentation of the complete *Folios*. Other authors consider the place of Shakespeare in the classroom, in the Kenneth Branagh canon, in Jewish revenge films (Quentin Tarantino's included), in comic books, in Young Adult literature, and in episodes of the BBC's popular sci-fi television program *Doctor Who*. Ultimately, this collection sheds light, at least partially, on where critics think Shakespeare is now and

where he and his works might be going in the near future and long-term. One conclusion is certain: however far we progress into the new century, Shakespeare will be there. Hamlet, probably composed between 1599 and 1601, takes place in Denmark and tells how Prince Hamlet carries out his revenge on his uncle Claudius who murdered Hamlet's father, the king, and holds the usurped crown as well as nuptials with Gertrude, the mother of Hamlet. The play is vividly traced around insanity (both real and feigned) and the course from deep pain to inordinate anger. It also explores the themes of betrayal, revenge, incest and moral corruption. A graphic novel adaptation of the play about the rise and fall of a Scottish king. Provides the full text of the novel with an accompanying translation into modern prose to better understand the characters, plot, and language of Hawthorne's classic novel. Shakespeare everyone can understand--now in new DELUXE editions! Why fear Shakespeare? Why do the characters behave as they do? Study Questions: Questions that guide students as they study for a test or write a paper. Quotes by Theme: Quotes organized by Shakespeare's main themes, such as love, death, tyranny, honor, and fate. Quotes by Character: Quotes organized by the play's main characters, along with interpretations of their meaning. As You Like It is a pastoral comedy by William Shakespeare based on the novel Rosalynde by Thomas Lodge, believed to have been written in 1599 or early 1600. It features one of Shakespeare's most famous and oft-quoted lines, "All the world's a stage", and has been adapted for radio, film, and musical theatre. Presents the original text of Shakespeare's play side by side with a modern version. No Fear Shakespeare A Midsummer Night's Dream Read& A Midsummer Night's Dream in all its brilliance and actually understand what it means. & No Fear Shakespeare gives you the complete text of A Midsummer Night's Dream on the left-hand page, side-by-side with an easy-to-understand translation on the right. Taking a 'performance studies' perspective on Shakespearean theatre, W. B. Worthen argues that the theatrical event represents less an inquiry into the presumed meanings of the text than an effort to frame performance as a vehicle of cultural critique. Using contemporary performances as test cases, Worthen explores the interfaces between the origins of Shakespeare's writing as literature and as theatre, the modes of engagement with Shakespeare's plays for readers and spectators, and the function of changing performance technologies on our knowledge of Shakespeare. This book not only provides the material for performance analysis, but places important contemporary Shakespeare productions in dialogue with three influential areas of critical discourse: texts and authorship, the function of character in cognitive theatre studies, and the representation of theatre and performing in the digital humanities. This book will be vital reading for scholars and advanced students of Shakespeare and of Performance Studies. Read HAMLET in graphic-novel form--with NO FEAR! NOW IN COLOR! Based on the No Fear Shakespeare translations, this dynamic graphic novel--now with color added--is impossible to put down. The illustrations are distinctively offbeat, slightly funky, and appealing to teens. Includes: - An illustrated cast of characters - A helpful plot summary - Line-by-line translations in plain English - Illustrations that show the reader exactly what's happening in each scene--making the plot and characters clear and easy to follow Criticism, notes, and a bibliography accompany the text of the tragedy Shakespeare and Adaptation Theory reconsiders, after 20 years of intense critical and creative activity, the theory and practice of adapting Shakespeare to different genres and media. Organized around clusters of key metaphors, the book explicates the principal theories informing the field of Shakespearean adaptation and surveys the growing field of case studies by Shakespeare scholars. Each chapter also

looks anew at a specific Shakespeare play from the perspective of a prevailing set of theories and metaphors. Having identified the key critics responsible for developing these metaphors and for framing the discussion in this way, Iyengar moves on to analyze afresh the implications of these critical frames for adaptation studies as a whole and for particular Shakespeare plays. Focusing each chapter around a different play, the book contrasts comic, tragic, and tragicomic modes in Shakespeare's oeuvre and within the major genres of adaptation (e.g., film, stage-production, novel and digital media). Each chapter seasons its theoretical discussions with a lively sprinkling of allusions to Shakespeare - ranging from TikTok to tissue-boxes, from folios and fine arts to fan work. To conclude each chapter, the author provides a case-study of three or four significant and interesting adaptations from different genres or media. A glossary of terms compiled by Philip Gilreath and the author completes the book. This No Fear Shakespeare ebook gives you the complete text of Much Ado About Nothing and an easy-to-understand translation. Each No Fear Shakespeare contains The complete text of the original play A line-by-line translation that puts Shakespeare into everyday language A complete list of characters with descriptions Plenty of helpful commentary This book is a translation of Romeo and Juliet by William Shakespeare, given differing cultural assumptions, and changes in the English language. It also includes passages from Hamlet, Macbeth, Titus Andronicus and Antony and Cleopatra. Presents the original text of Shakespeare's play side by side with a modern version, with marginal notes and explanations and full descriptions of each character. Explores the place of Shakespeare in relation to artistic practices and activities, past and present This substantial reference work explores the place of Shakespeare in relation to cultural processes that take in publishing, exhibiting, performing, reconstructing and disseminating. The 30 newly commissioned chapters are divided into 6 sections: \* Shakespeare and the Book\* Shakespeare and Music\* Shakespeare on Stage and in Performance\* Shakespeare and Youth Culture\* Shakespeare, Visual and Material Culture\* Shakespeare, Media and Culture. Each chapter provides both a synthesis and a discussion of a topic, informed by current thinking and theoretical reflection. Othello (The Tragedy of Othello, the Moor of Venice) is a tragedy by William Shakespeare. It is based on the story Un Capitano Moro ("A Moorish Captain") by Cinthio, a disciple of Boccaccio, first published in 1565. The story revolves around its two central characters: Othello, a Moorish general in the Venetian army and his unfaithful ensign, Iago. Given its varied and enduring themes of racism, love, jealousy, betrayal, revenge and repentance. Are you an athlete? Yes - you are!
