Million Dollar Coach is the must-have resource for coaches. Increase the income you earn, work when and how you want, watch your clients get incredible results..... and become empowered to live a life of massive personal freedom. Million Dollar Coach is designed to shift these issues you may be experiencing such as: * Too many coaches hit an income ceiling, and never make the kind of money (or the kind of impact) that they are capable of. They get stuck at one of the 3 plateaus: Survival, Stability or even Success * Most coaches blame themselves, and try to work on their MINDSET - But nothing changes because it's not your mindset that's the problem. It's the MODEL that needs to change. * The model that you bought into when you started your coaching business is completely unscalable (Manual prospecting to get a few leads, followed by one-to-one selling and dealing with objections, excuses and stalls... and time-for-money coaching so there's never any time for you). * For the last 5 years, the author has been working with a select group of coaches, taking them from Stability to Success and Scale. Taki Moore has a very new approach and he shares the very best of what is working for them to become a Million Dollar Coach. This book is essential reading for coaches of all types and experience-levels and is of particular value for anyone looking to start a coaching business to short cut growing pains and quickly rise to become a Million Dollar Coach.
