

The Law Of Real Property In Illinois Vo Paperback

Basically a revised edition of [the author's] A preliminary survey of the law of real property.

Excerpt from The Law of Real Property, Vol. 1: Being a Complete Compendium of Real Estate Law, Embracing: All Current Case Law, Carefully Selected, Thoroughly Annotated and Accurately Epitomized; Comparative Statutory Construction of the Laws of the Several States; And Exhaustive Treatises Upon the Mo Upon the subjects already named, and their logical sub divisions, in this country alone, there have been published over 125, (x)0 precedents, besides statutory provisions almost innumerable. This vast aggregate of judicial opinions on real property law is now being increased at the alarming rate of cases each year, and the additions which are being made to the statutes upon the same subjects are equally appalling. These numbers include only those cases which it is proper to classify under topics which logically belong to the Law OF real property. The whole number of American published judicial Opinions is estimated to be The whole num ber of published cases decided each year is enormous. In 1892 there were and in 1896 the number had increased to No lawyer or judge has the time to sift, classify and arrange this vast mass of legal lore. He must depend on the helps furnished by the law book editors and publishers. Upon the wise choice of these helps depends his success. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

The Law of Real Property, Vol. 9

Being a Comprehensive Treatment of Every Phase of the Subject with Special Reference to

the Acquisition, Encumbrance and Alienation of Real Property
The Law of Real Property (based on Minor's Institutes)
Commentaries on the Modern Law of Real Property
(based on Minor's Institutes)

Asserting that real property law can only be understood in the light of its historical evolution, the authors fulfill that need for the reader. In particular, the book enables first year law students to build a sound foundation for further study. Included are the methods of holding land - feudal tenures; estates in land; seisin, the real actions and adverse possession; incorporeal interests; and estates held in co-ownership.

Excerpt from The Law of Real Property, Vol. 9: Being a Complete Compendium of Real Estate Law, Embracing All Current Case Law, Carefully Selected, Thoroughly Annotated and Accurately Epitomized; Comparative Statutory Construction of the Laws of the Several States Alteration or vacation of street - Abutter's rights on vacation of part of street not in front of his property. Assessments against abutting owners for municipal improvements - Constitutionality of statutes - Frontage system. Assessments against abutting owners for municipal improvements - Property subject to - Railroad right of way. Assessments against abutting owners for municipal improvements - Miscellaneous notes. An Historical Background of the Common Law of Real Property and Its Modern Application

A Short Historical Introduction to the Law of Real Property

The Law of Real Property and Other Interests in Land

Being a Complete Compendium of the Real Estate Law, Embracing: All Current Case Law, Carefully Selected, Thoroughly Annotated and Accurately Epitomized; Comparative, Statutory Construciton of the Laws of the Several States; and Exhaustive Treatises Upon the Most Important Branches of the Law of Real Property

Megarry and Wade

'Here is a book whose breadth of purpose and depth of learning are breathtaking.' Peter Butt, [2005] 69 Conv 363 *Gray & Gray's Elements of Land Law is the definitive textbook on the subject. The book offers comprehensive coverage of the law in this area. The authors provide an insightful and thought-provoking commentary on the modern development of the subject and go on to explore how land law functions in today's society. The book includes an analysis of recent*

legislation and case law in England and Wales. There are also references to significant cases from Australia, New Zealand, the United States and Canada, coupled with a detailed account of reforms currently proposed by the English Law Commission. The book demonstrates a thorough understanding of the social and political context of land law and guides the reader through the sometimes difficult terminology of the subject. This fifth edition continues to balance up-to-date coverage of the key issues in land law with a critical survey of cutting-edge research. Building on the strengths of previous editions, the book ensures that excellent scholarship is accessible to an even wider readership: more chapters of shorter length offer the possibility of readers 'dipping' into topics in a non-linear way. A fresh, new format and text design support the re-structuring of content and aid navigability. Readers wanting to explore areas of interest in more depth are encouraged to do so by the exemplary footnoting and referencing. The book is accompanied by an online resource centre providing updates and web links between editions. This facility also contains illustrative material such as photographs relating to relevant cases discussed in the book. A podcast of the authors introducing the subject will excite students new to the subject area.

The Law of Real Property, Vol. 6

Being a Complete Compendium of Real Estate Law, Embracing: All Current Case Law, Carefully Selected, Thoroughly Annotated and Accurately Epitomized; Comparative Statutory Construction of the Laws of the Several States; An Elements of Land Law

Excerpt from Annotated Real Estate Statutes of Indiana; The Law of Real Property: Being a Complete and Logical Compilation of All the Statutes Appertaining to Real Estate Law, With Exhaustive Annotations; Together With Notes Upon the Common Law as It Is Modified By, or in Force Independent Of, the Statutes To collect all of the statutes of Indiana which in any way affect the title to real property, and arrange them in a logical manner, together with the case and text-book law bearing on these statutes and kindred legal principles, has been no easy task. We are conscious of the imperfections which must mark all work of this character; and we can only say that we have endeavored, by patient and careful labor, to render these imperfections as harmless, and our work as helpful, to our brethren in the profession as possible. In the preparation of our notes we have purposely avoided the style common in the preparation of a thesis or treatise, in order that we might bring the attention of the reader direct to the decisions of courts and the utterances of Jurists. In references to cases, it has been our aim to state the legal principle, which, from a careful examination of each case, we believe it sustains; leaving the reader to determine what wag/at it ought to liar/e, and what its application should be. We have kept in mind the fact that the statute, and its construction

by our own Supreme Court, is of the first importance. Common-law questions have been given such prominence as their importance seemed to demand. Conflicting authorities have been brought together, in some instances reconciled; in others the weight is shown, and in other cases our limited space has only permitted us to hint at inviting lines of discussion. The many important subjects embraced in this book, if discussed in the usual style of text-book law, would fill volumes; and, in order to compress it all into the small compass of this volume. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

This classic monograph presents a simple, concise and readable text of the history of the English common law scheme of estates in land, including future interests, and the scheme's importation to the United States. The text specially treats the types of interests a person can hold in land today and the associated legal rules that affect those interests. The text is peppered with many review problems to assist the reader in learning the material in the monograph.

Excerpt from The Law of Real Property, Vol. 6: Being a Complete Compendium of Real Estate Law, Embracing All Current Case Law, Carefully Selected, Thoroughly Annotated and Accurately Epitomized; Comparative Statutory Construction of the Laws of the Several States In editing the new cases which this volume adds to our serial, no material departure has been made from the original plan; but we have sought to emphasize those features which practical use has proved of value to the busy lawyer, and have given special attention to those subjects not hitherto fully treated. So far as possible the value of a case as authority is indicated by the manner in which it is treated. Special reference is made to those Opinions which display learning and research upon the subject under consideration, the language of the court and its citations upon the point frequently being given in full. The startling extent to which the value of any case as authority to the practitioner, in another jurisdiction, is frequently increased or diminished by the existence of a statute has led us to make a special effort clearly to indicate to what extent an Opinion applies or construes a statute. In the preparation of this volume the examination and citation of the new statutes has not been confined to those subjects upon which a special treatise has heretofore been published in the series, but the latest Session Laws of all the states and territories have been examined for new or amendatory statutes upon every phase of the law of real property, and to all such statutes proper references have been given. These statutes are conveniently arranged in appropriate sections. If a new statute amends a former statute, references to both are given, and where a new statute appertains to some subject of general importance its provisions are either quoted or concisely stated. This addition, which will become a permanent feature of our serial, will make it not only a complete compendium of the

current case law of the Law of Real Property, but will keep the profession advised of the growth and changes in the statute. Introduction to the Law of Real Property

The Law of Real Property, Vol. 1

Annotated Real Estate Statutes of Indiana; The Law of Real Property

Now in its 9th Edition, Megarry and Wade: The Law of Real Property provides a comprehensive and authoritative coverage of all aspects of the contemporary law of real property. It covers the whole of the English law of real property, together with related subjects such as conveyancing, leases and wills and intestacy, in a single volume. Due to the book's long history and its association with Sir Robert Megarry V.C. and Sir William Wade, it is viewed as a highly authoritative source of English Land Law.
